I acknowledge that the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 is now federal law. I acknowledge that this law designates all adult participants with access to minor athletes as mandatory reporters. I acknowledge that designation as a mandatory reporter is also California state law. I acknowledge that all reported incidents and/or suspected incidents of child physical and sexual abuse must be reported both to local law enforcement as well as the U.S. Center for SafeSport. I acknowledge that all SafeSport activity within the program I represent must be reported to the state affiliate (CAHA) SafeSport Coordinator.

By my signature below, I attest that all required SafeSport education, policies and procedures are in place in this organization, including the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017.
